Dear,

The Independent Evaluation Office (IEO) of the United Nations Development Programme (UNDP) and Arab Republic of Egypt Ministry of Planning, Monitoring and Administrative Reform cordially invite you to participate in the National Evaluation Capacities (NECAP) Conference to be held from 20 to 24 October 2019 in the beautiful seaside town of Hurghada, Egypt.

The main theme of the Conference is No One Left Behind: Evaluation for 2030. The conference will focus on the role of national evaluation systems in excellence development that leaves no one behind, in line with the commitments made by 183 countries to the Sustainable Development Goals.

For the last decade, NECAP Conferences have been successfully supporting the strengthening of national evaluation capacities. The conferences attract a large number of government officials engaged in evaluation, international evaluation professionals, civil society and the academic evaluation community to share issues, innovations, experiences and perspectives. NECAP’s unique focus on national perspectives and country-led evaluation will ensure tailor-made discussions and learning, networking and partnerships for national evaluation capacity development.

The event will open with two days of pre-conference technical training workshops, especially designed to provide focused opportunities for individual capacity development through interactive learning and hands-on exercises on a range of evaluation topics. This will be followed by a three-day Conference containing a rich and high-quality programme featuring keynote addresses, panel discussions, interactive sessions, networking and culture activities. For information, please visit the Conference website.

There is no registration fee for the three-day conference. Exclusive rates for the training workshops are offered ($1200 per one-day or $4500 for two one-day workshops). Participants—or their organisations—are expected to pay travel and accommodation costs as well as any workshop registration fees.

Kindly confirm your interest in joining us in the NECAP Conference 2019 at your earliest convenience by clicking on the link included in your invitation to register. You can upload your passport or national ID.

Should you have any questions about the conference, please contact the conference coordinator Ms. Naeema Abeer at nea@un.org. We look forward to your participation.

With best regards,

CONFERENCE REGISTRATION

You can upload your passport or national ID.

For those who are participating only in the Conference, you need to skip the workshop step. Please click the button ‘NEXT’ in the end of the page and registration will be complete.
For those attending the workshop, choose two workshops (please note that workshops on 19 October start with A and workshops on the 20 October start with B) and then click NEXT.
Then you will get to this page which confirms your workshop registration. After this you are done!
