

**PAKISTAN
EVALUATION

ASSOCIATION (PEA)**

Issues Prompted Formation of Evaluation Network

- MDGs underachievement in the region;
- **Less or no representation of Pakistan** in international evaluation forums;
- **A robust and active evaluation system/network** to promulgate culture of evaluation across sectors.

Main Participants in the Network

- M&E/Evaluation **Champions**;
- International Development Professionals (**Evaluation Systems Experts**);
- Representation from civil society, academia, UN agencies, Governments (federal and provincial).

How PEA help in the Development of Evaluation System

- **Synergy amongst the different players/stakeholders** and realization about the importance of evaluation system at national level;
- Different players at a **single forum** (Governments, civil society, academia, UN, donors, and NGOs);
- Collaborations, networks, and connections;
- Direction to **youth** (M&E Champions).
